9 Support

9.1 In the first instance, any issues with either Software or your Subscription should be raised using our remote support procedures. Full details of these procedures and how to contact us are available in the Support section of our site or through our App.

9.2 If you have an issue with Software which cannot be resolved using our remote support procedures, we may, at our sole discretion, decide that we need to visit your location to diagnose and/or remedy the issue (a "Call Out").

9.3 There will be no fee for a Call Out except where the Call Out constitutes Excluded Support or where Clause 9.5 applies. Any reasonable expenses incurred by us in making a Call Out will be charged to you and invoiced in accordance with the terms of Clause 9.6.

9.4 Where a Call Out or other support would constitute Excluded Support, before instructing any Call Out or support we will give you a quote, indicating the likely cost and applicable charges relating to that Call Out or support. We will instruct the Call Out or support only once you have accepted that quote in writing.

9.5 Notwithstanding Clause 9.3, our usual Call Out charges will apply and we will issue an invoice in terms of Clause 9.6 where a Call Out is made other than for Excluded Support and where, on arriving at your location, our technical staff find that you have:

9.5.1 not co-operated with our remote support procedures;

9.5.2 not followed any advice and instructions given by us via the remote support procedures; or

All invoices are payable within seven days of the date of the invoice. In the event of non-payment we reserve the right to charge interest on a daily basis on the outstanding amount at 5% above the Bank of Scotland standard base rate and to de-activate your Subscription immediately and without notice until such time as all sums due to us are paid.

- 13.2 You shall keep in strict confidence all technical or commercial know-how, specifications, inventions, processes or initiatives which are of a confidential nature and have been disclosed to you by us, our employees, agents or subcontractors, and any other confidential information concerning our business, products and services which you may obtain. You shall only disclose such confidential information to those of your employees, agents and subcontractors who need to know it for the purpose of discharging your obligations under these Terms, and shall ensure that such employees, agents and subcontractors comply with the obligations set out in this Clause as though they were a party to these Terms.
